Thread: [Comedy Section](#)

Prophet Banana - May 26, 2015, 4:47 pm

I'm a big fan of stand-up comedy and comedy writing. A section to share funny thoughts, bits, jokes, and stories would be a fun place for people like myself.

This wouldn't be a troll section. It's for users to develop their comedy skills.

I think this would be a great idea, I would definitely spend some time in this section if it was made.

Yes this would be awesome. One for the discussion and improvement of comedy.

As an idea for what the section would discuss.

Just use the Lounge for these type of discussions.

^. Plus I bet everyone will just copy jokes off the interwebs then a whole fucking flame war will start because they didn't make it up.

Your point? Copy pastas happen in all sections. Tutorials, rapping, etc.

There's a big difference between the two.

Comedy writing sparks laughter

trolling sparks an argument.

Trolling is not allowed on HF, if you want to troll you should go somewhere else.

Well aware and as I said this section isn't for trolls it's for people to develop their comedy writing skills and discuss comedy.

"Haha I fucked your mother, Hitler was a good man, lolzzzz"

^ That's not the type of posts this section will have.

Grin - May 26, 2015, 5:34 pm

To see originality would be intellectually enlightening. I am in favor of this suggestion!

Prophet Banana - May 26, 2015, 5:37 pm

(May 26, 2015 05:33 PM)- Sam - Wrote: [\[CITE\]](#) The Lounge is not for trolling but members still do, it's inevitable.

The section you are suggesting will have no content.

"Inevitable". Unless you pull out a sheet displaying demographics, statistics, and other data proving this section won't have any success then please don't try to be a smart ass.

Vodge - May 26, 2015, 5:44 pm

we already have a comedy section, it's called SRPP

Prophet Banana - May 26, 2015, 5:53 pm

If you look at the post above me -Sam- you will see Vodge has already constructed a very well-written joke with a unexpected punchline.

Well done Vodge. You've made me laugh.

If you're going to be doing stand-up, shouldn't you be in front of an audience at a bar?

we call this sit-down comedy. (for those on the short-bus because they're only half a person even when they stand)

clark.dll - May 26, 2015, 6:58 pm

One of the more stupid suggestions. It would just be filled with penis jokes and bad puns. Comedy is in the delivery which can't be communicated efficiently online unless you're actually speaking to someone.

Thornzzz - May 26, 2015, 6:59 pm

Just buy into Instinct, you'll get a userbar too!

?l???ry - May 26, 2015, 7:01 pm

this sounds okay.

i would be able to tell some mean knock knock jokes

Why are you singling out Instinct as if they're the only group that does it? Furthermore, a joke is supposed to be funny.

Marshmallow Man - May 28, 2015, 6:12 pm

You could probably make a thread in the Lounge for jokes, doubt this would get approved because it would most likely be a dead section.

b?xxy - May 28, 2015, 6:28 pm

I think this is a good idea, let the lels begin.

Ventures - May 28, 2015, 6:29 pm

Highly in favor of this suggestion. Perhaps mature humor will appear out of the thin?

Omniscient - May 28, 2015, 11:20 pm

Such a dumb idea that I might just do it. We could use a laugh around here.

EDIT: Done.
