Thread: [Is this real?\[Answered\]](#)

Liquhfy - May 27, 2015, 3:41 pm

<http://dudecomedy.com/iphone-glitch-that-allows-you-to-shut-phones-down-with-text-messages/>

Wymon - May 27, 2015, 3:45 pm

It is indeed real, although I don't think it shuts down their phone. Just makes them incapable of opening the messages app.

Avia - May 27, 2015, 3:47 pm

this shit aint working for me

edit : nvm i did it

Fiz? - May 27, 2015, 4:46 pm

Yes this is real it just makes the phone restart, if you take the words "effective power" away it can disable messages.

Aggravate - May 27, 2015, 4:48 pm

Yeah its real. I believe ISIS is a source. Don't quote me though, not too sure.

b?xxy - May 27, 2015, 4:48 pm

Yes, this happened to me all day and I finally figured out how to fix it.
