Thread: [Battlefield Hardline \[PS3 \] Boosting group](#)

ruGaming - May 28, 2015, 1:10 am

I am here to gather all PS3 Players that want to boost syndicates into one group.
I will have a server dedicated to us with all VIP access, just in case.

Requirements Preferred:

Skype/Microphone
Able to create multiple accounts
Active

[[[Playstation 3 Players Only]]]

Is still possibile boost?? Me and others 2 friends need a bot player for the 40000 kills of the dlc.
Boosting 1 vs 3 in a group with 3 real players and a bot we will do all those kills in less than 10 weeks

This thread was started in 2015 and you're the first to reply. I doubt this guy's still interested.

Battlefield Hardline was a really fun game tho imo
