Thread: [Free BTC Giveaway --Status \[Re-Opened\]--](#)

Lugina - May 29, 2015, 8:03 am

Moved this from the Ub3rs only section.

giving some btc to everyone who posts. There is no bias its anywhere from \$0.05 to \$0.15 completely random. Please dont pm me, just post below. Keeping the thread title updated on how many members ive given away to, its open till i feel like closing it.

Reason for the giveaway is 1k posts, and my recent gambling winnings, just showing my appreciation to the community.

Dont freak out if its not instantaneous, if you post it will be sent.
