Thread: [Standup/Comedy section](#)

Oliver Sykes - May 29, 2015, 11:11 pm

I really don't see this section lasting very long. Seven pages of mostly racist jokes the second day? I just don't see it happening unless it's purged, and an anti-racism rule is enforced.

EDIT:

ItAFirmware - May 29, 2015, 11:12 pm

This is really not a bad idea man I think it's a decent suggestion.

Oliver Sykes - May 29, 2015, 11:14 pm

It's bad.

Roger Waters - May 29, 2015, 11:15 pm

Yup. Most of the so-called jokes are things stolen off of Google or something that everyone and their mother has heard already. It's the same 3 or 4 people posting these threads also.

Most comedy is touchy and controversial

Raymond Reddington - May 29, 2015, 11:16 pm

Why can I see Ryan's name again and again :D

I've noticed. Guess it's a good section to increase your post count.

Unless there are approved comedians that can post in it, I don't care for its existence. It's just a human centipede of recycled jokes.

zSerity - May 29, 2015, 11:18 pm

Lmao @ Ryan throwing out like 10 of them.

I agree

Let's create a form and Omniscient has to individually decide who can be a comedian

Yeah, I really bet Omni would love to handle that.

Omniscient - May 30, 2015, 12:55 am
