Thread: [Bad Luck @ Texas Holdem Poker :\(](#)

E M I N e M - May 30, 2015, 8:41 am

Just went to the Application from FB, I found that some gifts been sent to me which total of 200k..
So decided to play after long time of non-playing this game?...

I had 7 3; So I folded then... Look How unlucky was me ?

Spoiler [\(Click to View\)](#)

So after I seen how unlucky I was..

I did all in, left the game, and decided to share with u guys :)?

Edit: I will try to never ever play this game again.

always like that my friend;) this game is super shitty one

i remember once i had 33 and my 33 was on the table but i lost as someone has 77 then the 77 went to the table too...

Yeah I know the feeling..

One of the reasons I quit poker - cooler after cooler... The positive balance that I was supposed to achieve in the long run never came...
