Is this going to be like a forum or streaming site? I'd be glad to help out if I can.

Streaming + Manga + Forum + "MAL" Page + API

Its going to be great, let me know if you want to come onto the team

Hmm, seems interesting.

Let us know how it goes.

I might check it out once it's done.

That's a lot to tackle. I know Hummingbird is having trouble with funding and they're only focused with being a forum and anime tracker.

How much will this cost you?

I don't really see what service you're trying to provide here. Might be worth considering specialising in something.

Lyrlei - May 31, 2015, 6:11 am

Weee let me know if its done op :3

Pontus53 - May 31, 2015, 6:12 am

Really nice name, good luck!

NexPB - May 31, 2015, 7:14 am

Cool name if you ever need help feel free to contact me :)

Tohka - May 31, 2015, 7:54 am

Great looking site but how exactly will you host the anime and manga? Will you do it manually or using something like wp-anime?
