Thread: [Recommend some good Samurai anime](#)

p2zen - May 31, 2015, 3:33 pm

Sup my fellow anime luvers.

Can you recommend a good samurai anime pls?

I've watched Samurai Champloo which was recommended by my bro, abs loved it!

CorrosiveBlueberry - May 31, 2015, 3:36 pm

Rurouni kenshin is great, if you haven't seen it yet. You will love it. Although a large portion of the 95* episodes (maybe last season) is considered filler so its up to you if you watch that or not.

Research it, I watched it all it's good.

You could try Blade of the Immortal or Afro Samurai

AnonyKidz - May 31, 2015, 6:21 pm

Gintama is a must for samurai anime

Duyere - May 31, 2015, 8:38 pm

I can't believe nobody mentioned Samurai Jack.

RainbowHentAi - May 31, 2015, 9:49 pm

I recommend Afro Samurai, but it's only 5 episodes

doworkTV - May 31, 2015, 10:21 pm

Watch Basilisk: Kouga Ninpou Chou. You won't be disappointed.

Don't waste your time with Kenshin. Only watch the OVAs. They are amazing. The TV series is ass.

Karas is sorta Samurai ish. (Its amazing OVA though)

Ninja Scroll is a classic also.

Samurai 7 is ass don't waste your time with it.

Hope I helped :)

But still a great show

If you like SC, watch Afro Samurai. It has Samuel L. Jackson doing the dub.

It's great, same crude humor as SC.

Pontus53 - June 1, 2015, 8:08 am

I think you should watch Kenshin, amazing samurai anime.

Chad ThunderCock - June 1, 2015, 11:40 am

Am I the only one that thinks he might enjoy bleach then?

Watch the OAVs Samurai X Trust and betrayal way better than the Anime itself.

Honestly not sure if you're trolling me.

Surprised no one has mentioned Sword of the Stranger. SC fight scenes on steroids.

kakarot007 - June 7, 2015, 12:13 am

Nah, Bleach is fine if you skip the fillers, and yea it's not samurai related but since they still pretty much only fight with swords I guess OP might also enjoy it

Of course he will like Bleach! Do you see how shitty his sentence structure and spelling is? He's a total normie fag, who will reap ultimate satisfaction from watching such a shit show.

OP, watch Bleach, it will keep you busy for a very long time! And as a bonus, they have tons of shitty merchandise to spend your money on and keep you attention away from making shitty posts

in this section.
