Thread: [I'm thinking about starting a YouTube channel.](#)

**Katana** - June 1, 2015, 11:12 pm

I'm thinking about starting a YouTube channel. It has always been on my bucket list, and i'm planning on vlogging, doing challenges, and talk about current events. Anyways, would you guys support me? :l

EDIT: What would be a good way to start off?

**CodeJack** - June 1, 2015, 11:13 pm

Usually ya gotta be smexy hot (mm joey gracefaa) or super funny/interesting if you wanna get a lotta subs/views.

**Entityy** - June 1, 2015, 11:13 pm

Starting a YouTube channel nowadays is more hard than it was 3-4 years ago.. Its much more saturated. Do something unique with the channel.

I wanted to get into streaming and start up a youtube, was going to do it all properly but suddenly got hit with plans to move out again so that's gonna have to wait or most likely never happen.

Congrats man. This is some top level determination. You should talk to more people about ideas for new content. Why not make a thread about it? Im sure the HF community would gladly give you tons of ideas.
