DO NOT DEAL WITH HIM.

Scammers profile: <https://hackforums.net/member.php?action=profile&uid=962283>

This profile repped him positive he implies it went "smooth".

I GAVE HIM A +3 BY MISTAKE - HE IS A SCAMMER

Him sending me his skype:

Him agreeing:

My payment:

<https://blockchain.info/address/19grcptHtZyLzFEiB816yczB9gWa6swo73>

Him ignoring me:

This was the first earnings I ever made from my drawing service and I was going to send them to the one that drew the drawing... ?

Resolved his skype, took the IP2SKYPE:

Got these skype usernames:

nilliamwagassar -

icestormluvzu -

wolfie.sturm - One of his skypes accepted me and this is my conversation with this profile

reckiess95 - Googling this username gave me this result:

)

justinchung512 - This gave me:

<http://de.xfire.com/profile/justinchung512/>

which results in(if the information is correct):

The scammer is 23 years old(fake age I guess), lives in Canada. His name may be Justin Chung. There are a matching Facebook profile if you search "Justin Chung Canada" on Facebook but I'm not sure it's linked to him.

traditional-winnar - Temporary skype he used to scam users on Hackforums with.

SIM-990284 - June 2, 2015, 1:07 pm
