this is not warez it is from their site. they are giving it away, i am just letting you know.

(Updated link as of June 19)

so, head over to:

<http://www.bitdefender.com/media/html/spread/windowsdeal-monthly-ts/>

enter a valid email address and click "i am not a robot"

(

p.s. the dot trick does work.

ex:

n.athan@gmail.com

na.than@gmail.com

nat.han@gmail.com

)

check your inbox.

download link will be in the email.

note, you only have 5 days to use code.
