Fun Guy - June 3, 2015, 12:53 pm

Bulk Options Available! If you are looking for a supplier, feel free to let me know.

Everything is up for sale in my backpack, for Bitcoin ONLY (I can not take PayPal)

Looking to get 70% 68.5% Market Price for Skins. Keys are \$1.85 Each.

I have additional Knives/Skins that aren't in my backpack. You are more than welcome to add me and ask for a link to a list of these skins.

I will not trade with you if you are a scammer on Steam, so don't add me if you are banned on SteamRep; I won't sell you anything.

Every item on the account is legitimately obtained. None of the items are scammed, stolen, hacked, etc, etc.

Add me on Steam if you'd be interested. A link to my inventory is below.

PayPal. Why the fuck do people want to use shitty ass PayPal? Just usw cryptocurrenices, they are, safer, anonymous, and don't have you by the balls like PayPal.

Oliver, just take your PayPal money, have PayPal send you a check, cash the check, then take the cash, do a cash deposit to a bank through local bitcoins, then never use PayPal again! ?

P.S. No-one will ever do 60% for shitty PayPal, only thing people will do 60% for is btc. PayPal is 70%+
