Hello HF,

I am offering a twitter verification service.

I will be doing this cheap.

Each verification will be \$10 BTC.

This service takes from 24-96hrs.

I will be doing 2 vouch copies to ubers only.

Have a nice day!

??

Edit: Do not PM! My PM box is now full. I will be upgrading shortly.

I will be selling the link to verification for a strict \$75 BTC only

Aggravate - June 3, 2015, 2:24 pm

Im interested in this. Please message me regarding this.

Regulus - June 3, 2015, 2:24 pm

I'd love to receive a vouch copy of this if possible. Thanks!

Chief - June 3, 2015, 2:24 pm

Can any account be verified? If so I'll take a vouch copy.

informal - June 3, 2015, 2:24 pm

This is dirt cheap. Am I wrong in believing this is the blue tick? I swear people used to offer that for like a couple hundred bucks.

If the vouch copies go well I think you're gonna be busy.

UnParad0x - June 3, 2015, 2:25 pm

Soon as a trusted member gets his vouch and works, I'm interested for sure

Send me a PM as soon as possible.

Just because you have access to the verification form does not mean you can verify accounts. I know Twitter more than anyone here. I've had access to the form for over a year now. I've verified a few people, but they were artists, music labels, etc. You can't just verify anyone.
