You will need to do simple task once, it takes no longer then 5-10 minutes. Its world wide method and investment is not required!

Payments are done in 24 hours after request, you can get paid to PayPal, Bitcoin, Paxum.

Its a legit antivirus affiliate system.

How to earn 0.001778 BTC a day doing nothing!

Hello, and thank you for reading my guide this is how it will work: You will need to register on a [website](#) and One Time post there link on 10 websites, no matter what websites it can be Facebook, Twitter, forum signature, or any other website. For every posted link they pay 0.000178 a day, so 10 links on 10 websites gets you 0.001778 BTC a day. That's not bad for doing one time 5 minutes work. Also minimum payout is very low and you get paid in 24 hours (usually in 2-3 hours)

Min payment

Paypal USD 3

Bitcoin BTC 0.003 / USD 0.69

Paxum USD 2

Note: You need to install there antivirus software if you want to get paid, to find it click "License" at the top menu

Let's start earning!

First go [HERE](#) and click "Register account" button at the top of the right corner.

After registering login to the website by clicking "Sign in" button at the top of the right corner near "Register account" button.

Then click "Affiliate program at the top menu.

After clicking it you will be redirected to affiliate panel, then click "Links" at the top menu.

There you will see affiliate link that you need to share and websites where you shared it, go to the bottom of the page and copy your link.

Share it on Facebook, Twitter or any other website.

After sharing affiliate link on website, click on it and it will get registered in your affiliate panel, under tab "Links"

After you finish sharing your affiliate link on 10 website, you are done!

(Yes you only need to share link once on 10 websites, you don't need to do that daily!)

Just sit back and watch your earnings grow

Watch out. This setup looks similar to Coingeneration (which was a scam), so don't upgrade your account to 'home'/'platinum' or whatever.

So do you make money when people click your link, when people register with your link, or just for posting your link?

just for posting your links

I don't mean the way you earn money, I mean its upgrade plan that makes you 'earn more money'.
