Thread: [Clan Banner](#)

Nywack - June 4, 2015, 4:47 pm

Heey! I'm looking for someone who can create a clan banner with the text "LiMP".
Our clan is about CS:GO and we're creating a youtube channel so we need a banner.
would really appreciate if someone could do this for me! Thanks! =)

Edit: I can't do anything without this information, If I get the information I will continue if I have time.
