It's nice to see that Roger found a hobby.

adagagaga - June 5, 2015, 1:02 pm

rof what a fkn loser might aswell just cut your throat

Again with the trolling? Why?

xDizaster - June 5, 2015, 3:08 pm

Looks derpy imo. Sunflower seeds are pretty good to have when you got guests.

One by one? That's a method for chumps. I used to take about like 7 or so in one mouthful, in about a month I filled up 3 1.5 liter fiji bottles with the shells. I think it's about time to pick up a new bag and start again.
