Justin Timberlake - June 5, 2015, 6:14 pm

Looks good, can't wait to get started!

hugsyou - June 5, 2015, 6:14 pm

Who is eligible to earn Tittens?

brian188246 - June 5, 2015, 6:15 pm

What's the point of this currency lmao

Delevingne - June 5, 2015, 6:15 pm

Must you mine them? Or are these obtained with events?

Realizm - June 5, 2015, 6:17 pm

(Jun 5, 2015 06:14 PM)hugsyou Wrote: [\[CITE\]](#) Who is eligible to earn Tittens?

Anybody with an HF account ?

(Jun 5, 2015 06:15 PM)brian188246 Wrote: [\[CITE\]](#) What's the point of this currency lmao

To have fun and help Titans keep track of what you earn through our events. You can then redeem Tittens for awesome prizes on HF ?

muzzy. - June 5, 2015, 6:18 pm

Will this be a cryptocurrency?

Tittens are a virtual currency, not a crypto currency. These can only be earned through participating in Titans Events :)

No, I will never have Tittens developed into a crypto currency. If we ever use a crypto currency in our events it will be OMC to help promote the use of OMC and get the price up.

z e r o - June 5, 2015, 6:19 pm

These seem cool, but they would be even cooler if you'd let me in Titans ;)

Impervious. - June 5, 2015, 6:24 pm

Hahaha, back when we first had our Casino event members thought of Kittens for some reason and were joking about it then somebody said Titties, and eventually they were merged and it grew on us all.

We will not be exchanging Tittens for cash. Only prizes which are to be announced. But you can expect awards, upgrades, products, and possibly buy-ins (to other groups we will pay your way in).

Katie Stevens - June 5, 2015, 10:04 pm

Titans + Titties

Because we're about all of those.

We considered Drachma's, but lets be honest not everybody is a Percy Jackson fangirl (*cough* Gladly *cough*)

It's only if other groups are selling buy-ins lol. Instinct I'm sure will be, so we may have 1 or 2 spots for that. You'll have to be approved if the buy-ins are approval only as well.

I was thinking exactly this. Should of called it titty coins.

In all fairness, why not Triton (you know, your group symbol) (or Triton Coins) instead of something that sounds like what a stripper wears to protect her nipples.
