(Jun 6, 2015 04:51 PM)Aiba Wrote: [\[CITE\]](#) Very good read for the price, grammar mistakes here and there but nothing that would hinder your ability to comprehend his writing.

If you are new to creating a server this book is for you. (Jun 6, 2015 05:05 PM)R?v3n Wrote: [\[CITE\]](#) This is a great book if your starting a brand new server. If you dont know how to start a server or if your a noob you should get this. This will help you out alot. (Jun 6, 2015 04:55 PM)Chucky | Wanna Play? Wrote: [\[CITE\]](#) I have received a vouch copy, and here is my review. Note, this is good for beginners that have not done any research/total noobs.

Originality: 7/10

I believe that this is a great factor in an eBook, and for this 1, the methods are a bit saturated, if you are noob or this is your first time starting a server, then this would be perfect for you!

Grammar/Spelling errors: 5/10

Since english is not OP's main language, it is acceptable for this rating. You still understand what he's saying and such, but there are a lot of spelling errors.

Layout: 8/10

It's not too flashy, but I really loved it.

Details: 10/10

This book is highly detailed, with links and stuff, I give this rating a 10/10

Overall: 8/10

This is a great eBook for starters and people that have not started a server before, so I highly recommend you buy this!

First 5 people who buy will get -10% discount, PM me! ?

Vouch for Troija , bought 2 of his ebooks before , was really HQ.

Royal Crowd - June 6, 2015, 4:23 pm

Can I get a vouch copy?

Have a nice day! ?

FRANKIE - June 6, 2015, 4:25 pm

Grow up my minecraft server. I need to grow up my grammar first young man.

Silfy - June 6, 2015, 4:26 pm

I've had 3 Minecraft Servers that were semi-successful in the past, one Factions, 2 Towny.

I could give an accurate vouch copy if you're willing. Otherwise GLWS. ?

I need to grow up my grammar first young man.Yeah, I asked my friend to make thread design for me, because he had Photoshop and I dont.. He asked me what you want to that thread design, I said put something Minecraft - make server better.. So he put this "Grow up your minecraft server".. I know it looks stupid, but why not ?

UnNullRouted - June 6, 2015, 4:34 pm

If you have a vouch copy I will take 1 :P
