Now tell me Reddit isn't useful.

Good for: Sites, Streamers, YouTubers and anything else!

ADD SKYPE: JvHout00

Rules:

1. Don't post direct links, post /r/subreddit/new and the title
2. No NSFW posts

If you post direct links

it would be deleted because they notice groups

Wrong section dude.

Although I must say thanks for that video!

It's really informative and I will obviously try it out lol

On other sections I get 0 replies / 10 views.

Added quite some people now.
