Thread: [Debug Utilites \[Extension Spoofer + File Binder + File Pumper + Icon Changer + MORE!\]](#)

Nex+ - June 11, 2015, 6:41 am

Welcome to Debug's first giveaway thread, as a coding group you will see many more of these to come, program related tools of course. Below you will find a list of tools that may help you utilize a task and get it completed easier or you just may want them. Anyways, enjoy the products, and more will to be come to add to this list. [Debug Assembly Editor](#)

[Debug Extension Spoofer](#)

[Debug File Pumper](#)

[Debug Icon Changer](#)

Spoiler ([Click to View](#))

Katie Stevens - June 11, 2015, 6:44 am

Thank u so much for this giveaway! ? ?

Cmasson - June 11, 2015, 11:17 am

where is binder?

thanks

Nex+ - June 11, 2015, 12:17 pm

(Jun 11, 2015 11:17 AM)Cmasson Wrote: [\[CITE\]](#) where is binder?

thanks

It will be added very soon, working on some more stuff

Thief. - June 11, 2015, 12:51 pm

Thanks for releasing these useful programs!

newgonhowzter - June 11, 2015, 1:21 pm

Thanks for the awesome contribution, simple yet effective :)

Melkor333 - June 11, 2015, 2:10 pm

haha Chrome's blocking the downloads.. time to get IE out XP

thanks alot!

Nex+ - June 11, 2015, 8:16 pm

thanks alot!

If you view the downloads on chrome you can unblock them and make them download ?

(Jun 11, 2015 08:35 PM)?eshCollider Wrote: [\[CITE\]](#) Hope you all enjoy these, more to come soon ? am i the only one who can't download from mediafire? any help ?

shamv - June 13, 2015, 1:33 am

where is file binder ?

other tool are working awesome need file binder

Nex+ - June 13, 2015, 12:58 pm

Bumping this to the top for people to get it

FRANKIE - June 13, 2015, 12:59 pm

Nex bb you know I need a virus scan for this

Nex+ - June 14, 2015, 6:33 pm

Bumping this beauty to the top for people

Nex+ - June 20, 2015, 2:52 pm

Hitting this to the top, enjoy people

rissa007 - July 10, 2015, 3:11 pm

thanks for this cant wait untill next tool

Back2baseX - July 12, 2015, 1:41 pm

Come On ! thank a lot and nice work Nex, waiting for the binder.

Forc?d - July 12, 2015, 1:43 pm

Looks like this may come in handy some day, will grab a copy! Thanks

vicky245 - July 12, 2015, 3:07 pm

<http://s2.postimg.org/dnley9515/errorspoofer.png>

this is what i am getting..

when i spoofed it its good, showing spoofed file but when i try send it, the receiver got .exe extension

am i doing something wrong?

DamienVC - July 13, 2015, 7:37 am

Skype usually detects spoofed extensions..

cptcrunch112 - July 13, 2015, 1:39 pm

Bumping this to the top. Amazing giveaway, thank you so much!!

Crizzlybee - August 25, 2015, 12:44 pm

Thanks! I will try later!

VirtualMon3y - January 11, 2016, 4:35 am

Thanks for the pumper ... nice little toolkit right here!

darma404 - January 11, 2016, 6:21 am

thanks .. nice tool for spreading

Wolvy - March 4, 2016, 2:19 am

Nice, the Debug Icon Changer works perfectly! Thanks mate.

Vector.A+ - March 4, 2016, 3:21 pm

Source Codes? It would be nice if some of your projects were open source

Hopsin - March 4, 2016, 5:08 pm

This looks nice. Thanks for your contribution buddy.

Copywriter - March 9, 2016, 11:05 pm

Thanks for this OP! This will come in handy!

ahmar - March 21, 2016, 2:12 pm

Thanks alot for this, and can i know when you gonna release File Binder?

ZipperZuperZinga - March 21, 2016, 6:59 pm

(Mar 21, 2016 02:12 PM)ahmar Wrote: [\[CITE\]](#) Thanks alot for this, and can i know when you gonna release File Binder?

^^Agree. When are you gonna add it?

almaduhector - March 25, 2016, 10:15 am

When are you gonna add binder?

Errexa - March 25, 2016, 5:24 pm

thanks for the giveaway man I thank you

Crizzlybee - March 25, 2016, 11:58 pm

Those tools are very useful. I've been using them for a year and still working well for me!

VirtualMon3y - March 31, 2016, 1:41 pm

Still work and I often tell people about these useful tools. Thanks for the free stuff.

MrNacho123 - March 31, 2016, 6:20 pm

Would this work on a crypted RAT?

jujuger - March 31, 2016, 6:28 pm

how does the icon changer work

Crizzlybee - March 31, 2016, 7:25 pm

(Jun 11, 2015 12:17 PM)Nex+ Wrote: [\[CITE\]](#) It will be added very soon, working on some more stuff
I'm still waiting for your file binder! ?

hackgodx - April 1, 2016, 1:47 am

I'm still waiting for your file binder! Tongue
