Awesome, thanks for posting this. Was waiting for this to start!

Sahaj - June 11, 2015, 10:16 pm

Yes! I bought CS:GO an hour ago. :D

I decided to avoid it.

I got annoyed when devs got greedy and started messing with pricing before the sale started. Rockstar is a big example of this.

I'm just waiting for CS:GO dropping down to 75%...

I am going to buy alot of accounts then.

Regulus - June 14, 2015, 5:49 am

Have no clue what kind of game i should get though haha. :)
