Themes i'm Working On

Spoiler [\(Click to View\)](#)

Lumen Theme:

Cupcakes Theme:

EagleEye - June 12, 2015, 11:27 am

niceee big like for you and keep on updating it

very clean and good GUI

good workkkk

SaketSaket - June 12, 2015, 11:33 am

Nice looking theme..... unique one too... ;)

Marwix - June 12, 2015, 12:41 pm

You should give me credits for giving you that small tip about changing your form title transparency.
hi hi

Anyways, it looks sexy af.

<3

SIM-1847363 - June 12, 2015, 9:00 pm

Thanks guys, but i'm done with development for the Theme atm. I'm gonna work on the other two themes you see as the preview.

Rhez - June 12, 2015, 9:12 pm

It's too kawaiiiii. But I like the Lumen Theme most.

Generals - June 13, 2015, 1:18 am

this is nice, keep it up bro. ?

Marshall Mathers - June 13, 2015, 4:24 am

THIS IS AWESOME AS FUCK YOU HOMO! THANKS!

SubGenius - June 13, 2015, 4:30 am

Nettro you suck, this theme sucks.
ktnxbai

frawg - June 13, 2015, 4:33 am

Loving the theme man, will you be releasing the lumen theme once you've finished it?

ElementalTree - June 13, 2015, 1:04 pm

Aww you added the rating control <3 :D

Mad Hatter - June 14, 2015, 2:21 am

I'm diggin the lumen, I think these are more for specific projects rather than all purpose themes.

Polymeth - June 14, 2015, 4:37 am

Great job man, awesome GDI theme !
