lol people are just purchasing this from one person and re-selling it even though they don't have permission to re-sell it.

I know the original person who created it and it sure wasn't you.

Really? Im sure they infected like hell tho

Mega Muffin - June 14, 2015, 8:11 pm

you should be able to find those configs on other forums, its already leaked

Prødigy - June 15, 2015, 3:41 am

I didn't know they were leaked, can you link me to them?
