lol msn freezing fails nowadays :D u cant reset ur pass at live.com but u can at msn.com ^_^ after the password is reset u login quickly lolz

cybr - *July 25, 2010, 5:37 pm*

I agree with your status.

I Declare Rule #34.

Also Bumping Old Threads Makes Me Rage Too :D

Orgy - *July 25, 2010, 6:05 pm*

My MSN is constantly frozen. idc though, it doesnt stop me from signing in, or even give me a problem at all.
