Thread: [\\$275 PPI earnings in a few hours](#)

LaFerrari. - June 16, 2015, 5:11 pm

Just decided to do some PPI before selling my Instagram account, and got a small amount of cash out of it! Took me 4 hours.

Never give up! Let the haters hate. ?

Update

Made some money while sleeping, and ended up with a total of \$275

Good work! PPI is an interesting field, any tips or advice for those looking to break into it?
