My friend works in dominos and gets a 50% discount on pizza, I'm assuming it's the same for Pizza hut.

Quiver - June 18, 2015, 3:44 pm

Pizza hut has gone down the drain in the last couple of years.

ZZoS - June 18, 2015, 3:49 pm

Nothing wrong with that.

I was a part time pizza hut delivery driver whilst I was a Police Officer.

Wanted to save extra money for a holiday.

Don't know why people make fun of others getting a fucking job. society.

So un-true. At least in England. Plus they give you expenses for delivering. I got paid more for delivering than I did working inside.

Isn't Murica supposed to be so utterly famous for their tipping as well..??

We tip because we feel entitled to, but in reality no one enjoys it.

I don't know his info or anything but normally they get paid very very little and have to pay for their own gas. So if their car breaks down from all the wear and tear they are fucked.

+One - June 18, 2015, 4:00 pm

Don't worry, you'll start someplace and grow from there. At least it's an accomplishment.

Grin - June 18, 2015, 4:04 pm

JustSomeN00B - June 18, 2015, 4:08 pm

Lol better to work at pizza hut than to get a job with the guy you were making fun of and have to deal with his laughter when he sees you there

Well can I get some pizza?

I never tried it ,just saw it .

gore - June 18, 2015, 4:14 pm

Pizza Hut is probably worse than McDonalds when it comes to what you have to make and how, etc etc.

Pizzas are a pain in the ass to make.

Smelling like raw pizza ingredients is also the absolute worst.

But working pizza, you hardly deal with anyone besides being on the phone so that's a plus. Unless you deliver.

I wouldn't wanna do delivery lol.

Working fast food isn't that hard, just get to deal with people more often (yaaaaay) ?

How long do you plan to be there? I've heard they don't make much, Pizza Hut used to taste better...I'm not fond of the flavour it has now. But then again, that's production line "pizza".
