Why should I give free money to someone who have 1 post? I want to do something for the community, and I priority HQ members with rep and posts.

Tech - June 19, 2015, 9:39 am

FFS everyone on this thread has a brand new account.

Ya, you are right but everyone starts in a forum like this. Of course you can prioritize members of this forum. Why should i post something on this forum i am not interested in?

I hope you can help me,too even if i just started being a member of this community :)
