Thread: [Any interest in a web design/development group?](#)

Zen - June 20, 2015, 5:40 pm

Title

I have recently start learning web design/dev as a hobby but hope to pursue it more in the future.
If there's any interest please leave a reply and maybe we can get something going

Malmoc - June 20, 2015, 5:59 pm

I'd be very interested in joining this! I've been looking for projects / people to work with.
Feel free to shoot me a PM :)

Sincerely yours,
Malmoc

it appears we have some interest. im still a beginner myself but will PM you guys and hopefully we
can get a skype chat going

Freisetzung - June 20, 2015, 9:19 pm

I'd be interested! PM me :)

Knight? - June 20, 2015, 9:25 pm

I would be interested in this.

-Oh- - June 20, 2015, 9:26 pm

I think this would be a good idea, you should do this!

Aakash_Choudhary - June 20, 2015, 11:34 pm

I am also interesting int this.Thanks

Ramsey - June 20, 2015, 11:36 pm

I would love to join this group! Ive been into web dev a lot recently!

Arduous - June 21, 2015, 10:58 am

I'm interested in this as well. I've been working with Bootstrap recently.

ThePenumbra - June 21, 2015, 11:06 am

Definitely interested in this. Hit me up, OP.

Krueger - June 21, 2015, 11:26 am

I'm definitely down with this man I do this for living ... If you want to join my Private Skype Group(Coders,Marketers,Hackers on HF) Leave me a PM we're like 50 Coders,GFX,Hackers and Marketers on HF

SLY - June 22, 2015, 7:30 am

i'm really interested in this and i hope to hear from you soon!

No. Debug is for programming.

A website design/dev group would consist of people re-themeing bootstrap admin templates and sticking a php that curls a skype resolver API, it'd be the worst idea possible.

Hardly negative. It's just an opinion. Well, it's a fact.

Proxite - June 22, 2015, 2:22 pm

I'd be interested in this, I've done web development stuff a few years ago but would love t rekindle my interest in it.
