So, yeah, i was selling my knife,
I saw his reputation and he seemed legit, but he was clearly not.
I went first in this deal.
the user : <https://hackforums.net/member.php?action=profile&uid=1162776>

another guy he scammed : <https://hackforums.net/showthread.php?tid=4874848>
he told me this :
0x1027: it has 2fa on localbtc
0x1027: just waiting for the text
steen8: alright..
steen8: and :P
steen8: dont leave me here hanging brother
steen8: ;[
0x1027: dude the texts take up to 10 minutes
0x1027: their system is shit
