So today I wasn't getting any customers at all and I was really getting irritated then out of nowhere a guy contacted me on kik and at first he wasn't going to give me anything but I convince him to send me \$100 and thats when the quadruple dipping begins. Made \$400 from this guy and my friend made \$500 he is a navy guy sooo yeah i'm so excited rite now. i'm going to try to keep milking him

well here is some proof <http://prntscr.com/7jw91t>

sorry closed this please :(

Omg i hate you. How did you do quadra dip?

Cheeb - June 22, 2015, 9:39 am

Did... did you just quad dip? Whats your method as in what do you say to them. Could we maybe get a few pics of the conversation?? Nice earnings OP, keep that shit up and keep us updated!

That picture only shows \$300 but ok

Zyatrax - June 22, 2015, 10:20 am

PM me his kik please thanks

Talu - June 22, 2015, 10:22 am

Nice earnings man, damn good .

The fact your scamming someone that fought for our country, pisses me off.

BmwM5 - June 22, 2015, 11:19 am

a navy dude? seriously?
sad man

Does going to military and 'fighting' make him any better or reputable? The guy could've been lying, or he could've been in basic training for all we know. Being in the military literally means nothing -- it just means you're in the military. Plus not everyone on HF is a American. You don't have to be a American to use USD. I prefer GBP and I'm not British.
