Do you know any working Bugs/Glitches on RSPS? Or have some kind of tut those RSPS Verions?

Pm me if u have, thanks

No I don't have a tutorial / task list for RSPS since pretty much every RSPS is different & also most of them aren't worth my time. Sorry.

every RSPS is different though, each has different source code's i'm sure there are a few glitches consistent with most.

Thanks for this yo, hopefully there's some that yield profit i might try out.
