Done! Thanks for this contest. And what are you going to do if the thread never reaches 200 posts?

I'll do it at the closest number with a zero at the end. Like 100, 90, 160, etc., it will end in 4 weeks if it doesn't hit 200.

Hello, Quick question. For us non upgraded members, we cannot put pictures in our signatures. Here is the error message:

Code We are sorry, but we cannot update your signature because it contains too many images.

Please remove some images from your signature to continue. Note: The maximum amount of images for signatures is 0.

So could we possibly put a link to <https://hackforums.net/showthread.php?tid=4870460> or do we need the image?

It would benefit you greatly if you enabled the signature on this post. It will prevent you from accidently being disqualified.
