Audacious - June 24, 2015, 7:27 pm

Hey guys, I've had my fair share of freebies from these forums and it's certainly helped me out.
Time to give something back (little more than others)

L33T will get \$0.25

Ub3r will get \$0.40

If you want, please send me a PM with your PayPal email.

I'm not loaded will do as much as I can. Will edit when I'm done.

Okay, that's it for now guys, will re-open this if I decide to do another
