So you want a joke?

Hellen Keller walks into a bar, then a chair then a table.

The next one is one of my grandfather's favorites.

So a gorilla dies at a zoo... Right before the zoo opens. It is the only gorilla at the zoo since they are not very profitable. However, the gorilla is their most popular attraction by far, and they cannot afford to go a day without it. So the zoo owner asks one of his workers to wear a gorilla suit they have in storage for an extra \$100 a day if he will go in the gorilla cage and pretend to be the gorilla until the zoo can afford a new one.

Quickly, the new "gorilla" becomes the most popular craze at the zoo. People from all over are coming to see the "Human-like" gorilla. About a month in, the craze has started to wear off. So, to get peoples attention back, he decides to climb over his enclosure and hang from the net ceiling above the lions den next to him. A large crowd of people gather watching the spectacle in awe and terror. Suddenly the man loses his grip and falls to the floor of the lions den. The man starts screaming "HELP!! HELP!!!" Suddenly a lion pounces him from behind and whispers in his ear, "Shut the fuck up right now or you're going to get us both fired."

The man replies, I don't understand why you white people call us colored because :

When I born, I black.

When I grow up, I black.

When I go in sun, I black.

When I cold, I black.

When I scared, I black.

When I sick, I black.

And when I die, I still black.

You white folks:

When you born, you pink.

When you grow up, you white.

When you go in sun, you red.

When you cold, you blue.

When you scared, you yellow.

When you sick, you green.

When you bruised, you purple.

A mother was walking down the hall when she heard a humming sound coming from her daughter's bedroom.

When she opened the door she found her daughter naked on the bed with a vibrator.

What are you doing?" she exclaimed.

The daughter replied, "I'm 35 and still living at home with my parents and this is the closest I'll ever get to a husband."

Later that week the father was in the kitchen and heard a humming sound coming from the basement.

When he went downstairs, he found his daughter naked on the sofa with her vibrator.

"What are you doing?" he exclaimed.

The daughter replied, "I'm 35 and still living at home with my parents and this is the closest I'll ever get to a husband."

A couple of days later the mother heard the humming sound again, this time in the living room. In there, she found her husband watching the Super Bowl on television with the vibrator buzzing

away beside him.

"What are you doing?" she exclaimed.

He replied....."Watching the game with my son-in-law."

Some of these jokes are funny actually. I have one too (open spoiler)

Spoiler ([Click to View](#))

So there was this married couple and on every anniversary they would go to an amusement park. Every year there was a helicopter ride that costs \$5.00 as well. And every year the wife wanted to go on the helicopter ride and she would ask the husband if she could and he always responded with "No, Five dollars is Five dollars." This went on for about 12 years or so and one year they went and the husband wanted to go on the helicopter ride and the wife responded with "No, Five dollars is Five dollars." Well the pilot of the helicopter over heard them and came up and told the couple "I'll make you guys a deal, I'll give you guys a free ride, but if you (the husband) makes a single sound, you have to pay me Five dollars." So the husband says "deal." So they go up in the helicopter and the pilot is doing all these tricks. He's flying upside down and going in circles and doing loops and everything he can to make the husband make a sound. So they get back to ground and the pilot says "Well sir, you managed not to make a single sound, congratulations." The husband then responds back with "Well I was going to say something when my wife fell out, but Five dollars is Five dollars."

I hope you enjoyed the joke! A waiter at Chile's told me it.
