Thread: [How To Get Free Facebook Likes, Comments Or Followers!](#)

Vaxorr - June 25, 2015, 5:06 pm

Hello.

Today i'm hosting another wonderful tutorial which is gonna show you a non-saturated method of how to get Facebook likes, Comments, or even Followers.

Screenies?:

Spoiler ([Click to View](#))

How to Get The Method?:

Spoiler ([Click to View](#))

I will just put the same skid-Protection i use in all of my threads to limit the saturation of this method and to avoid leeching.

Link : [uggc://cnfgrova.pbz/enj.cuc?v=FGmdf8PM](#) (Rotate)

EDIT: Decrypted Link : <http://pastebin.com/raw.php?i=STzqs8CZ>

Can't get the Link still ? Alright, Just post a reply below and i will gladly PM You the link.

WARNING: Don't send me a PM.

Thanks For Reading ?

I Think putting the skid-protection is fine...
but only when we can post you for the link do.

because honestly i dunno how to rotate it.

Could you send me the link? I'm too skiddy to figure out your link

someonenewagain - July 4, 2015, 9:11 am

The ROT-13 code is a simple Caesar cipher, where characters are shifted 13 letters (with wrap around at "Z"). The advantage of shifting 13 places is that the same operation applied twice decodes the content. ROT-13 has been a traditional internet trivial encoding method used for spoilers and other places slightly hidden text is needed for years.

do you think you are cool for posting the method in public ?

i didn't want this to get saturated anyway's people like you are the ones that ruin the community.
