Fox & Woden's Innuendo Support Desk

About -[i] Woden and I have decided to open a support center for anyone on HF.
we're both open-minded individuals, and are happy to help no matter who you are.

With 1,000's of PM's answered, Woden & I strive to help everyone to the best of our abilities.

What you can pm us about -[+] Depression

[+] Relationship issues

[+] Sexuality struggles

[+] Friendship issues

[+] Issues with social skills

[+] Bad self confidence

[+] ...or, if you just need to vent, we're here to listen.

Have something that wasn't listed? Go on and shoot us a PM with it and we'll do our best.

Who to pm -(Click one of our names to send the PM.) Everything you send us will be kept completely confidential.

[+] [Woden](#)

Notice -[!] Woden and I are here to do what we can for you all, but that doesn't mean you should substitute real medical care (if needed) with our advice.

Please post on the thread so we can keep it alive!

Note: I accidentally junked the old thread. Sorry.

Fox™ - September 5, 2015, 8:01 pm

No idea what Woden's last login is, but I know he's on here and there. I'm sorta back from the dead.

I have a few PM's to respond to as I've been a bit busy these past few days--but feel free to keep PM's coming!
