(Jun 28, 2015 03:58 PM)HF Panda Wrote: [\[CITE\]](#) PAYPAL SHIELD review by HF Panda

Okay, so by now I've reviewed a lot of online products and e-books and this is by far the highest quality product I have had the honor to do a review on yet.

PAYPAL SHIELD is literally the perfect E-book, If you don't want your account limited you will NEED this!

When you first open this E-book you will notice the fresh design and easy to follow structure. You'll find a brief introduction followed by a table of contents which allows you to quickly and easily find what you're looking for.

As for the content and detail in this.. Well, this is just on another level. The author (Zelix) really has put blood sweat and tears into making this insanely detailed and high standard material. It contains

absolutely everything you could wish for in regards to protection for you PayPal account. Not just that, all the content in here is 100% legal.

If you are to purchase this I highly recommend the "Advanced Package" this contains some extremely useful tricks and tips which you will wish you could have known sooner.

[align=center]Summary
Grammar - 10/10

To say the author if this speaks English a second language you would be surprised, he writes better than I do, A native English speaker.

Content - 10/10

Like I mentioned before, Zelix has put his absolute heart and soul into making this the best he possibly can.

Individuality - 10/10

There is currently nothing else like this on the market right now. This is the only place you will find this product.

Overall - 10/10

I'm sure by now I don't need to tell you any more about this product. Stop reading my review and buy it, NOW :D

[quote='Djlatino' pid='46812622' dateline='1435641040']

I already knew this stuff, but there was 1 or so tricks that I grabbed that I can put to use. Will use Zelix for support if I ever need it.

If you honestly have huge issues with paypal, this ebook could actually save your life. It tells you the dos and don'ts, and can help you in the long run.

Personally, for me, I've been following the rules that the ebook already has, and that just re-assured me that I'm safe. That's what I needed, and that's why I really bought the ebook. I know tons of people who have issues with their paypal and selling, and this could be their be all end all.

It does what it advertised. I'm happy.

I will now be available for any support, Zelix and I are online and ready for your questions! Don't hesitate to contact us through our Skype; DigitalShield

Dunkin' Donuts - June 28, 2015, 4:08 am

Great product and the owner is a very good guy. Highly recommend this product!

GOOGLE-SEO - June 28, 2015, 4:14 am

I had to say your ebook must not cover on charge backs as a seller as this is the biggest issues, and you even say in your terms "anyone charges back, you will make a scam report".

Found that part rather funny anyway good luck op

Zelix - June 28, 2015, 4:15 am

(Jun 28, 2015 04:13 AM)::::JUST A GUY :::: Wrote: [\[CITE\]](#) I had to say your ebook does must not

cover on charge backs as a seller as this is the biggest issues, and you even say in your terms "anyone charges back, you will make a scam report".

This ebook is not about chargebacks, it's about how to prevent your account from getting limited. It contains something about chargebacks, but not how to deal with them because that's not what this ebook is about.

Also, that doesn't mean I can't handle the chargebacks, I will open a scam report on anyone who chargebacks, even if I'm 100% sure of winning it.

Regards,
?

GOOGLE-SEO - June 28, 2015, 4:22 am

If its about bieng limited its rather public...anyway take care.

PAYPAL SHIELD review by HF Panda

Okay, so by now I've reviewed a lot of online products and e-books

and this is by far the highest quality product I have had the honor to do a review on yet.

PAYPAL SHIELD is literally the perfect E-book, If you don't want your account limited you will NEED this!

When you first open this E-book you will notice the fresh design and easy to follow structure. You'll find a brief introduction followed by a table of contents which allows you to quickly and easily find what you're looking for.

As for the content and detail in this.. Well, this is just on another level. The author (Zelix) really has put blood sweat and tears into making this insanely detailed and high standard material. It contains absolutely everything you could wish for in regards to protection for you PayPal account. Not just that, all the content in here is 100% legal.

If you are to purchase this I highly recommend the "Advanced Package" this contains some extremely useful tricks and tips which you will wish you could have known sooner.

Summary

Grammar - 10/10

To say the author if this speaks English a second language you would be surprised, he writes better than I do, A native English speaker.

Content - 10/10

Like I mentioned before, Zelix has put his absolute heart and soul into making this the best he possibly can.

Individuality - 10/10

There is currently nothing else like this on the market right now. This is the only place you will find this product.

Overall - 10/10

I'm sure by now I don't need to tell you any more about this product. Stop reading my review and buy it, NOW :D

Does this have anything to do with using a 3ed party?

Zelix - June 29, 2015, 8:37 pm

(Jun 29, 2015 08:32 PM)BotMarket Wrote: [\[CITE\]](#) Does this have anything to do with using a 3ed party?

I don't think so.. what do you mean? ?

Djlatino - June 29, 2015, 10:10 pm

I already knew this stuff, but there was 1 or so tricks that I grabbed that I can put to use. Will use Zelix for support if I ever need it.

If you honestly have huge issues with paypal, this ebook could actually save your life. It tells you the dos and don'ts, and can could help you in the long run.

Personally, for me, I've been following the rules that the ebook already has, and that just re-assured me that I'm safe. That's what I needed, and that's why I really bought the ebook. I know tons of people who have issues with their paypal and selling, and this could be their be all end all.

It does what it advertised. I'm happy.

Zelix and I are both available for support, if you have any questions, please contact us!

(Jun 30, 2015 12:48 PM)Jellyrolls Wrote: [\[CITE\]](#) Question.

If I was banned on my previous paypal account with my social security on there and etc am I able to use this method to use another paypal account and put my ss on there also or no?

Thanks

If you could change your ss number on the previous paypal account, it would be even better, but yes, you can use this method to make another paypal without worrying anymore!

DaUB3R - June 30, 2015, 5:47 pm

Get this now to keep your money safe and secure from being trapped in a PayPal account.

Zelix is currently online and accepting PMs regarding purchase/support ?

Zelix - June 30, 2015, 7:19 pm

Zelix - July 1, 2015, 1:31 pm

(Jul 1, 2015 12:13 PM)Ventures Wrote: [\[CITE\]](#) Can it protect me if I run a stresser?

Yes, this e-book is especially made for sellers. It can protect you from getting limited. However, you still have to be careful with illegal services, as it's not 100% guaranteed to stay safe. (People can always report you or add a wrong note to a payment).

?

(Jul 1, 2015 12:15 PM)DaUB3R Wrote: [\[CITE\]](#) Unless someone notes you "Thank you for the stresser" ?

It's not really like that, but yes, that's 1 of the reasons that could limit you.

Will this work so stresser doe not get limited, and does it require me buying anything else?

Zelix - July 4, 2015, 12:19 pm

(Jul 4, 2015 12:07 PM)Entire Wrote: [\[CITE\]](#) Will this work so stresser doe not get limited, and does it require me buying anything else?

I am going to use the method for my Stresser myself. As long as you DON'T accept automatic payments on your PayPal, you should be safe.

You don't have to buy anything, maybe a Windows VPS if you want to be 100% sure of not getting limited. ?

Entire - July 4, 2015, 12:41 pm

What's point of it if you cant accept automatic payments? Nobody likes buying manually

Zelix - July 4, 2015, 12:42 pm

(Jul 4, 2015 12:41 PM)Entire Wrote: [\[CITE\]](#) What's point of it if you cant accept automatic payments? Nobody likes buying manually

You can always accept automatic payments, but this is handled in the e-book as well, you will get limited in no time.

However, if you have like \$25/\$30 to spend on VPS'es, you could use my method to create a few safe PayPals & use them to accept the automatic payments and send them to your main PayPal. ?

iWatch - July 4, 2015, 12:42 pm

(Jul 4, 2015 12:41 PM)Entire Wrote: [\[CITE\]](#) What's point of it if you cant accept automatic payments? Nobody likes buying manually

I know how you can accept payments automatically through stressers with PayPal and at the same time avoid limitations. I've had over €15,000 in transactions this way before without any limitation.

Send me a PM if you're interested, I love helping out new stresser people with all their PayPal problems.

(Jul 4, 2015 12:42 PM)Zelix Wrote: [\[CITE\]](#) You can always accept automatic payments, but this is handled in the e-book as well, you will get limited in no time.

Creating 'stealth' PP accounts without even having the documents, and then accepting & sending payments that fast to another account? Hell naw, you'd trigger the anti-fraud system instantly, and you'd need to submit 7 documents..?

Joaquín "El Chapo" Guzmán - July 4, 2015, 12:43 pm

Is this guaranteed it will work, can get get patched, and how do we know it works, do we need any info like credit cards, tax, or anything else?

Zelix - July 5, 2015, 4:04 am

(Jul 5, 2015 03:58 AM)Exodus. Wrote: [\[CITE\]](#) Is this guaranteed it will work, can get get patched, and how do we know it works, do we need any info like credit cards, tax, or anything else?

If you follow the method step by step, it will work guaranteed.

Also, the only thing you will need to make sure you will never get limited is a dynamic IP (or windows VPS), and use your legit information/bank/credit card.

If you are not going to use legit info/bank/cc, the method will still work, but the success rate is lower.

The method can't get patched, as it's not really a 'method', it's basically a how-to based on PayPal's whole system. (exposed in the e-book).

Regards,
?

Royal Bash - July 5, 2015, 11:07 am

Roses - September 2, 2015, 7:47 am

I will be buying this soon!

White Hat - September 2, 2015, 12:55 pm

Is this like how to make documents to get out of limitations or using VCC\VBA accounts?

Basically what I'm asking, are you referring to making the account look legit and completely verified?

OR...

Is this literally a way to full proof never get limited unless of course you do something stupid and obvious?

If it's the second one, I could definitely use this.

Zelix - September 2, 2015, 10:48 pm

If it's the second one, I could definitely use this.

It actually gives all the reasons for PayPal to get you limited, and explains how to make your account legit (or look legit) and bypass a lot of things @PayPal.

So actually, yes, you won't get limited if you do things that are not mentioned in the e-book.

Zelix - October 28, 2015, 2:03 pm

Waiting for some new feedbacks again.

Available for support and accepting sales.

Mr.BTC - October 28, 2015, 5:51 pm

I downloaded long time a book from the deep weeb was worth 450 usd explaining how pp worked and how to void limitations is this the same thing?

ROFL OMG - October 28, 2015, 5:53 pm

(Oct 28, 2015 05:51 PM)Mr.BTC Wrote: [\[CITE\]](#) I downloaded long time a book from the deep weeb was worth 450 usd explaining how pp worked and how to void limitations is this the same thing?

I can assure you what he has is most likely much more high quality. A price at 450 for an ebook sounds like you got ripped off. OP is great at support, and will help you through your PayPal issues and his book will teach you how to avoid getting in those problems.

Zelix - October 28, 2015, 5:54 pm

(Oct 28, 2015 05:51 PM)Mr.BTC Wrote: [\[CITE\]](#) I downloaded long time a book from the deep weeb was worth 450 usd explaining how pp worked and how to void limitations is this the same thing?

I never saw that e-book, so I can't judge.

The explanation of PayPal and avoiding limitations is the purpose of this e-book. But it's not just that.

If you still have any questions, feel free to hit me up!

(Oct 28, 2015 05:53 PM)King Tut Wrote: [\[CITE\]](#) I can assure you what he has is most likely much more high quality. A price at 450 for an ebook sounds like you got ripped off. alajmanphp - December 21, 2015, 10:47 pm

Hello i would like to ask

if i have paypals accounts for hacked

can i do it and make payment normal ?

Zelix - December 21, 2015, 10:49 pm

(Dec 21, 2015 11:47 PM)alajmanphp Wrote: [\[CITE\]](#) Hello i would like to ask

if i have paypals accounts for hacked

can i do it and make payment normal ?

PayPal Shield shows you how to avoid getting limited, this works for all PayPal accounts, however, hacked PayPal accounts can get payments chargebacked by the original owner. We don't give you a 100% success rate on this.

Thanks,

alajmanphp - December 21, 2015, 11:50 pm

yes but i just ask

because sometime i can't make payment with paypal for ebay or somewhere

Zelix - December 22, 2015, 12:01 am

(Dec 22, 2015 12:50 AM)alajmanphp Wrote: [\[CITE\]](#) yes but i just ask

because sometime i can't make payment with paypal for ebay or somewhere

That depends on the PayPal. Maybe it's limited, or maybe there's something wrong with it. A normal PayPal account will prevent such problems if you use PayPal Shield. ?

1nf4m0us - December 22, 2015, 2:24 pm

We are working on a HUGE project, you will never expect this guys.

Zelix - December 22, 2015, 4:46 pm

vouch for this feg, doesn't let me read keeps spamming me with information!

glws op!

i a m g o n e - December 29, 2015, 4:10 pm

Vouch for this method, helps me out tons :)

Supreme Kai - December 29, 2015, 4:11 pm

Can It un limit my Perm limited account from 2010?

Zelix - December 29, 2015, 4:24 pm

Thank you for the vouches guys. I honestly appreciate it.

(Dec 29, 2015 05:11 PM)Supreme Kai Wrote: [\[CITE\]](#) Can It un limit my Perm limited account from 2010?

No, this guide is to AVOID getting limited again. It's not about unlimiting accounts.

Royal Bash - December 30, 2015, 11:14 am

Thanks for all the vouches guys!

Ready and taking orders, feel free to contact me to purchase.

Question related contact Zelix.

Zelix - December 31, 2015, 5:20 am

Still online and available for support. Feel free to ask any questions.

Also, remember, we're giving a free updated version of the e-book (38 pages) to anyone who buys the Advanced Package.

Royal Bash - December 31, 2015, 5:27 pm

Happy new year guys!

To purchase feel free to contact me.

Zelix - January 1, 2016, 3:38 am

I wish you all a happy new year. A new year means new updates, and a new PayPal Shield! We have updated the e-book and it now has a total of 46 pages! The e-book is on a whole new level now.

TimidHydra - January 1, 2016, 3:42 am

Nice program OP, i may be interested in purchasing a copy of it soon.

Darkcoin - January 1, 2016, 5:20 am

Whats new in this book ?

i saw it on another forum a few days ago

Zelix - January 1, 2016, 6:04 am

(Jan 1, 2016 04:42 AM)TimidHydra Wrote: [\[CITE\]](#) Nice program OP, i may be interested in purchasing a copy of it soon.

Sure. Let me know.

(Jan 1, 2016 05:38 AM)Antonio™ Wrote: [\[CITE\]](#) Seems to be a decent eBook, good luck with sales buddy.

Thank you. I appreciate it.

(Jan 1, 2016 06:20 AM)Darkcoin Wrote: [\[CITE\]](#) Whats new in this book ?

i saw it on another forum a few days ago

We don't sell copies on other forums. It was leaked once, but that's the old version (8 pages), the new version now has more than 40 pages, and it's all updated. I also gave the old version away for free, so it's not possible that you saw the ebook on another forum.

Hamware - January 1, 2016, 6:54 am

Trusted member, an e-book you can actually get something out of it and learn useful methods. Happy new year.

Zelix - January 1, 2016, 6:59 am

(Jan 1, 2016 07:54 AM)Gigabertz Wrote: [\[CITE\]](#) Trusted member, an e-book you can actually get something out of it and learn useful methods. Happy new year.

Thanks man, I really appreciate it. Happy new year to you too ?

Royal Bash - January 1, 2016, 10:48 am

Hello guys, back at home.

Contact me to purchase.

Thanks for the vouchers guys.

masterme - January 1, 2016, 11:06 pm

im definitely interested in this but would it be suitable for an autobuy site that has a moderate amount of traffic?

Zelix - January 2, 2016, 2:44 am

(Jan 2, 2016 12:06 AM)jc3p3nn Wrote: [\[CITE\]](#) im definitely interested in this but would it be suitable for an autobuy site that has a moderate amount of traffic?

Depends on the website. It should work for you, just send me a PM with information and I'll give you a more accurate answer.

Regards,

iMirXa™ - January 2, 2016, 3:58 am

want to buy this but price seem's to be a bit more than what i want to pay.

Zelix - January 2, 2016, 8:28 am

(Jan 2, 2016 04:58 AM)iMirXa™ Wrote: [\[CITE\]](#) want to buy this but price seem's to be a bit more than what i want to pay.

Well, at least it's worth it. ?

Still available for live support or anything else!

Royal Bash - January 2, 2016, 12:46 pm

Hello guys, will be online for a few hours so feel free to contact me to purchase this.

You won't be dissapointed.

Zelix - January 2, 2016, 1:46 pm

For anyone that was asking:

YES, the e-book is updated.

YES, it's still 100% working and up-to-date

YES, the Advanced Package is way better than the basic package, especially for sellers and people that receive a lot of money.

And NO, this is not too pricy, it's worth it. I actually think it's cheap.

Thank you,

Royal Bash - January 3, 2016, 6:22 am

Thank you. It was a misunderstanding, clearly.

I appreciate the vouch, and ofcourse, I will never sell leaked content. ?

masterme - January 12, 2016, 3:13 pm

sorry for it taking so long on the review this has so much info its not funny ill leave a nice review soon like in the next day or two when i put it into action and see the results definitely worth it though :P

masterme - January 13, 2016, 8:50 pm

8/10 grammer

i noticed a few grammatical errors but in no way affect the information given

10/10 method

the methods and information contained includes everything you will ever need to know and more i would rate this as 12/10 but cant there is a lot of information and it did take a while to read and it goes extremely in-depth about every detail there could be you can easily tell that op put in every bit of their knowledge into this and provides amazing not public methods to keep your money safe, cash out safely, and even keep from being limited and create new accounts easily and safely.

30/10 value

this is definitely worth it TBH i would recommend that op increase the price as it has already saved me money i would have otherwise lost.

9/10 originality

most of the information is original a few things are public but it is part of the overall methods which are not public knowledge.

10/10content

over 50 pages of information in a decent layout nothing special just standard and easily readable if anything there's almost too much information :P

9/10overall

this is an amazing eBook and worth every cent and more there is a ton of information original non public methods and information and will save you money hassles and frustrations with PayPal and even more information is included to help you get UN-limited and so much more too much to list i definitely leave my vouch and recommend you buy this eBook right now while its still cheap it is probably going to go up in price because it is worth more than the op is asking.

i received a discounted copy for a vouch review and here is my honest and unbiased review of the information in the ebook i am in no way affiliated or associated with op TBH i forgot the username lol i was going to buy it but then op offered a 25% discount so i was happy to take it lol.

Zelix - January 14, 2016, 3:57 am
