Thread: [Skype Resolver \(C99 Free API\)](#)

Don Flamingo - June 28, 2015, 12:46 am

I don't think I've seen a Batch File Skype Resolver so here it is!

Demo Gif

Spoiler ([Click to View](#))

Uses C99's Freee Skype Resolver API.

Skype.bat (Let's user specify Skype Username then sends it to the resolver)

When I read "C99" right before "Skype resolver", I thought it was a binary Skype resolver written in C99. Nope.
