Start being HQ, your time to shine.

Chad ThunderCock - June 28, 2015, 12:17 pm

Wait what. Aware me on what happened and why

Galaxias - June 28, 2015, 12:56 pm

Every year is a new start eh, whelp, let's see who's going to be lucky to get their thread stick'd.

Duyere - June 28, 2015, 12:56 pm

I never looked at the stickies anyway lol

b?xxy - June 28, 2015, 12:57 pm

Do you even know what happened?

They all just went poof

Peanut Butter - June 28, 2015, 12:59 pm

I don't know how I noticed there was that lewd sticky and not that the other ones were gone, how bad was it before those stickies were made?

Fairly bad but people have been ignoring them for awhile and they were both terribly out of date.

Yeah most of the anime on there was old with nothing recent, the genre-divided list only had like 2-3 for each genre iirc, I think some even had 1. It really needed to be redone and improved, I just went and checked and 12 of the videos are dead too. (can't remember what was on the other sticky so not gonna say anything)

Chad ThunderCock - June 28, 2015, 1:38 pm

I could make a thread with suggestions on anime wouldn't take me so long

Yeah, both were outdated. Nyx-'s thread was over 5 years old.

Esdese - June 29, 2015, 7:02 am

About time, aside from when I first came to the AA section I never looked at the stickies more than once.

Plus there's the fact that everyone would ignore them ;-;

Tasemu - June 29, 2015, 5:34 pm

Keeping an eye out for some new stickies over the next few weeks/months. Old ones were out of date, been many seasons since they were made. :)

What happkeh said. Shine bitches.

Nonon Jakuzure - June 30, 2015, 4:51 am

Remember when I suggested to someone about a whole thread about Visual Novels Recommendations. I bet that'd shine real nice and shiny.

Happkeh - June 30, 2015, 9:58 am

Should probably correct myself: Nyx's thread wasn't the sticky, its not 2012 anymore, it was Black Hole's which was actually good for learning the basics and helping yourself before thousands of rec threads came in.

Aura - July 1, 2015, 8:51 am

I threw an idea for a sticky, all that's left is for someone to actually do it.

Kirit???o - July 1, 2015, 11:46 am
