Thread: [Higurashi no Naku Koro ni Question](#)

Should I give up Higurashi no Naku Koro ni? I did more than the 3 episode rule. I'm currently at episode 17 and it's so confusing. Well, it's not confusing, but the anime keeps switching POVs and repeating itself? People are killed and they magically reappear later on. Basically, dead people are reused.

tl;dr Is Higurashi no Naku Koro ni worth finishing? There's a total of 26 episodes, so I have 9 episodes left. ?

Lmfao, the nail remover as her punishment? I was chewing gum while watching that episode. After watching that scene, my mouth felt like an ocean of saliva. Idk, when I watch gruesome scenes, my mouth gets all watery and nasty. ?
