Thread: [Voting: June 2015](#)

Froggy - July 1, 2015, 6:20 pm

Credits to [Roger Waters](#) for spoiling me.

Welcome to the Member of the Month voting thread for June 2015!

Member of the Month is a competition that awards one special member each month for their contributions throughout the community. Every member has the potential to win the award, but the final decision is made by the combined efforts of the user base and forum staff. To learn more about how the competition works, [click here](#)!

The finalists have been chosen! The Voting phase begins today and ends on Sunday, July 5, 2015!

This is your chance to determine who wins the award. You may only vote for one person per month, so make your vote count! Feel free to post in this thread noting your reason for your vote, but it's not necessary.

Please read [Member of the Month - Explained](#) for rules and regulations.

Vote in the poll for one of the following members:

[Business](#)

[Charmz](#)

[iHydra](#)

[Vanill?a](#)

[vurezo](#)

[- Sam -](#)

May the best man win!

Listing contributions again will begin next month, I know it's been requested.

If you continue to do great for this community, you will eventually be recognized. Keep up being a good member. I encourage you to pursue in this honorable route. It really teaches you how to be a good individual off the site to be honest. Honestly.

I was going to make an inappropriate Froggy joke, but I won't because I respect her more than most members I sometimes make a crack at. She does her best when she's around for this community and I know my jokes can sometimes be hurtful or make some uncomfortable. I'm trying to change my personality off the site as well. A little more optimistic. Maybe people were right. No one really needs negativity. We have enough in our lives.

but...

there's still no point to take it too seriously. our lives, that is. not my jokes.

The polls with MyBB don't calculate the vote counts correctly. When someone posts one of these, it provides the hand counted totals. As of right now 20 votes aren't counted by the MyBB system.
