Thread: [L33T Contest! \(2 UPGRADES\) CONTEST ENDS JULY 8th](#)

Salty Bacon - July 2, 2015, 9:56 am

Hello Members of Hackforums! This is Salty Bacon. I am doing a contest. I used to do contests back when I was active two years ago. I stopped using Hackforums for a while. Now I recently started using it and I wanted to give back to the Hackforums community because I saw a lot of changes to the community which I think is good. I am giving away 2 L33T upgrades. This contest is very simple. Here are the rules.

Rules:

You must have at least 100 posts or more.

Less than 50% Warning Level.

Must love Bacon.

Must have a positive reputation.

How to Enter:

Pick a number from 1-100. (IF YOU PICK A NUMBER THAT IS ALREADY PICKED, I WILL IGNORE THAT AND PUT YOU IN FOR A RANDOM NUMBER)

Post why you want L33T. (I'm curious)

FOR CURRENT L33Ts/UB3Rs: You guys may enter as well. The upgrade will go to a member of your choosing. Please put the member you want upgrade with your post.

I will post the people who entered here. I will update on my own time. I might not update that quickly, so please read all the replies to this thread before you pick a number. Thank you.

I'll take #14 please.

The reason I would like L33T is so I have access to the upgraded members sections such as SRPP & Innuendo. I would like to contribute as much as I can to those sections with advice & maybe a few good debates.

Thanks for this contest OP !

Hi, I would first like to thank you for making this contest. I appreciate it a lot.

I have a friend, HeliosHype, <https://hackforums.net/member.php?action=profile&uid=2336122> who would like to be upgraded to the L33T usergroup, but he does not have the money to do so. It'd be really nice if you could give him a chance to know what it's like to be an upgraded member of this forum.

I'll take number 64 please. Again, thank you.

DuguWudi - July 2, 2015, 10:12 am

I pick 88 then. Thank you.

Reason, so I can update my threads/posts and closed threads.

redBit - July 2, 2015, 12:12 pm

Why do I deserve L33T? I don't think I deserve it that much, but I think a deserve it because I'm new and have already helped a few members here on HF. I'm growing HQ and trying to stay HQ as possible. What I'm most trying to avoid is being LQ and being annoying to other members. This is HF and I know that there is many who gets angry fast, but I try to avoid answering them again, and I'm trying to avoid problems. I'm a positive person and trying to help people with their problems, and that's why I think I deserve L33T. I also think I deserve L33T so I can edit my posts whenever I want, I also want to be able to change my name and subtitle and get a signature, I also want to be able to give positive and neutral to users who made a great content for HF.

Which number do you want? Number 74

Salty Bacon - July 2, 2015, 12:16 pm

Redbit is added to the contest.

Nipple Genocide - July 2, 2015, 12:41 pm

I'll have 100 posts by the time the contest is over.

Thanks OP! (Number 48)

Nigel_xD - July 2, 2015, 2:06 pm

i would like to have number 75
thanks for this great giveaway.

First of all I don't actually think I deserve L33T that much as anyone else do, but I do think I deserve it a little bit. So why do I actually deserve L33T? I deserve L33T because I've been helping people rating graphics, and via PM I even donated a few dollars to some people who was in need of it. I haven't made any threads yet, due to because I'm new and my friend advised this forum to me, the reason he advised me to this forum is because I asked him do you know any good forums that has a section about coding etc and that's how I got into HackForums. I also want to be L33T in order to +1 and neutral people that deserve it. The reason I also want to be L33T is because I want to edit my posts and close my threads, I also want to be available to make a thread in the "Member section". I might be new but I actually have some skills and I will come into that later. If I can get L33T I will get the ability to change avatar and pretty much everything else, such as the Private Message limit.

Supreme.tm - July 2, 2015, 2:57 pm

Ill take #97 please. I want L33T because I want to look more professional on here.

TBE ClockWork - July 2, 2015, 3:00 pm

TheStraa - July 2, 2015, 3:33 pm

Salty Bacon - July 2, 2015, 7:25 pm

?C???I?x??? - July 3, 2015, 4:14 pm

Number: 33

I want leet because, I feel with leet I can do a lot more for the forums, I also want leet because of the special abilities it grants you for example repping I see loads of members that have helped me so much and I wish I could rep them but I can't. Another reason is there also is so many leet and uber only contests and giveaways and with leet I would be able to enter these giveaways and contests.

Thank you ?

Wqjkdqwdqwd1 - July 7, 2015, 5:21 am

ill take 13, i want to be l33t because everyone always tries to take advantage of non upgraded members as they can rep and you cant

Ran - July 7, 2015, 5:44 am

#53.

I would like the rank because of how long I've been on here and the fact that I don't even have the l33t rank. Kind of embarrassing for me. I see all these amazing topics in the SRPP and personal life section, and I want to contribute to those and post my thoughts on it. For the personal life, I want to be able to help the other people if they are experiencing problems. I have been a member in this community for a while, and want to show everyone my thoughts on these topics. Also to change my name, since I was immature when I made the name haha. I have the overprotective parents that won't really let me spend my money on things I like, such as this; so was hoping I could win this contest and get what I feel like I deserve.

CONGRATULATIONS TO EiffelTower and AGHosting FOR WINNING THIS CONTEST!

You both will be contacted via PM. Please keep in mind, I pay via BTC and the BTC network is getting stressed out so confirmations are taking 10+ hrs for me. Yesterday I tried to donate to Hackforums, but my payment did not confirm in time. SO I will wait until the network is stabilized. If I see it is taking too long (1 WEEK) I will pay via paypal and you both will get it after 1 week.

This contest is closed, that means this thread is closed.

Good day.
