Not too bad for your first tutorial and you wanted to contribute. Personally, I think you might need to elaborate a bit more on some things, but overall great first tutorial.

Thank you, yeah I agree I should've elaborated more on some steps, and I felt I rushed a little bit but I just wanted to get something out that could benefit other people.

Not too difficult to do, Try to add colors in ur tutorial.

Meow - July 4, 2015, 1:58 am

Pretty good for your first tutorial,gratz! ?

Ellie Goulding - July 4, 2015, 2:00 am

Nice tutorial :) going to try it out! I have a lot of Intro templates as well, heh.

Nice tut, didn't use c4d in a while :)

Viridescent - July 4, 2015, 3:02 am

Thanks guys, I plan on making more tutorials on various things I know in Photoshop / C4D and possible After Effects :)

Talu - July 4, 2015, 6:33 am

Nice tutorial man, could get some use for this ;)

drakZZZPT - July 5, 2015, 9:38 am

Not too bad, thanks for the tutorial dude!

Ricy - July 11, 2015, 1:38 am

nice tutorial thanks for sharing!

Sahaj - July 11, 2015, 1:40 am

Awesome tutorial man... :)

vesuk - July 12, 2015, 6:24 pm

This is the stuff people put in ebooks and charge for. Great TUT thanks!

Thanks bro , nice tutorial for beginnes im not beginner but still nice :)...

Band1to - January 8, 2016, 11:49 am

good tutorial, i'll be sure to add this into some of my work

gimi - January 10, 2016, 9:32 am

thank you nice :)

xASAP - February 26, 2016, 1:29 pm

Pretty good for your first tutorial :)

Jason AG - February 27, 2016, 9:49 am

Thanks for the tut. I think I'm going to download the program and try this.

Legit Pandas - February 27, 2016, 9:52 am

Pretty nice straight forward review. I do think you could elaborate a little and maybe add a bit more detail but other than that, nice tutorial for those c4d newbs out there :)

Muco53 - March 5, 2016, 11:56 am

Nice tutorial, thank you for sharing :)

NZT - March 9, 2018, 3:20 am

Really nice tutorial here man, I'm hoping this encourages more people to get into C4D. It's a great piece of software.

Igniter - March 11, 2018, 9:18 pm

Haven't used cinema 4d in ages but this tutorial was right on point!

MIC_Seller - March 31, 2018, 7:23 am

thanks, it really helped me

Eddyxdd - May 15, 2018, 7:33 am

I've always wanted to learn to work with Cinema 4D, thank you very much!

Smart Swag - June 7, 2018, 4:13 pm

Its become too black, You can add some other color to make it more clean.
