FredLeague - July 3, 2015, 6:21 pm

I'd like L33T to gain access to all of HF's features.

Thank you for hosting this contest.

Best of luck to everyone that joins.

Frugal - July 3, 2015, 9:09 pm

I would like L33T so I can change my username, the ability to have more PM space, and I get a custom user title.

GET JACKED LMAO - July 3, 2015, 10:42 pm

I'd like L33T because it seems like a nice upgrade that Omni & staff have implemented onto the forums.

I deserve it because I'm becoming an active member. I have been posting some here and there and also, I'm very HQ. I'm also friendly, if I get this upgrade, I wouldn't use my power to neg or rep4rep, I'd use my power to help others, and explore new things on the forum while being L33T, I would upgrade, but PayPal is acting weird.

I really hope you pick me, and nice giveaway dude! I haven't seen a lot of people doing upgrade contests. You're awesome! Good luck to all who is going for this! Hope you give it to the right person! :)

Wehrmacht - July 3, 2015, 10:45 pm

Good luck everyone, and thanks for doing this giveaway Dixie, really nice of you.

Peanut Butter - July 3, 2015, 10:58 pm

I mostly just want l33t to change my username, use an image in my signature and be able to edit threads even after several hours. Not gonna post some bs about how I deserve it because I just

post in AA and occasionally the lounge, only "contribution" I may have made is the thread in my signature and it's just a bunch of links.

Chopped - July 3, 2015, 11:00 pm

I'd like to get l33t because I feel I am very high quality with my posts, I believe I am sufficient enough to gain this userbar/group.

I hope everyone else luck.

iReFuSe2LoSe - July 3, 2015, 11:04 pm

I seek to get access to L33T so I can achieve a better purpose in this forum... As all the sections which I plan to post in, are limited to upgraded members only which I'm sadly not yet.

Good luck to everyone, and may the best win!

Anyways, congrats to anyone who wins.

FGO57 - July 4, 2015, 8:08 am

There are many reasons why I would like to become a l33t member. First of all I would like to change my username into something more rememberable, also I would like to have the ability to give positive reputation to users that deserve it. It would be also nice to raise PM inbox capacity, for storing more of my messages.

I would also like to post sometimes in the Science, Religion, Philosophy and Politics forum. Maybe some day when I post a tutorial of mine, l33t upgrade would help my tutorial to be recognizable and more people would read it and maybe learn something of it.

Thank you for this awesome contest, I hope I win!

Good luck to everyone!

redBit - July 4, 2015, 4:53 pm

Why do I deserve L33T? I don't think I deserve it that much, but I think I deserve it because I'm new and have already helped a few members here on HF. I'm growing HQ and trying to stay HQ as possible. What I'm most trying to avoid is being LQ and being annoying to other members. This is HF and I know that there is many who gets angry fast, but I try to avoid answering them again, and I'm trying to avoid problems. I'm a positive person and trying to help people with their problems, and that's why I think I deserve L33T. I also think I deserve L33T so I can edit my posts whenever I want, I also want to be able to change my name and subtitle and get a signature, I also want to be able to give positive and neutral to users who made a great content for HF. ?

-_- - July 4, 2015, 4:54 pm

Tits Are Savages - July 8, 2015, 9:50 am

So here is why i think i deserve it :)

I arrived here in 2013 a young noob thinking i could find help here from the best hackers ever to

stop the ddosers from ddosing me while i played my favourite game Runescape but i quickly realised noone will help you without contributing something so i went to learn how to use R.A.T's and after 4 threads on help i made my first tutorial how to fully setup a rat for new people like me and i gained my first positive reputation with that which showed me i can achieve good rep and friendships with people if i am active and do stuff so i started posting around in a lot of places and i started to know people and people started to know me i made a website where i gave away free minecraft accounts for everyone and quickly my rep rose quite a bit than from being 1 year on this forum i thought i'd make a funny movie about how the forum goes with all its up's and downs i got alot of hating people but more people who loved it which just shows you can make it here if you are a normie but by now i have helped people gave away lots of things and i thought i want to become leet badly but i cant put money on my paypal since im only 15 so i cant connect it with my bank and since im not quite the monetizer that was not a option either so thats why i am joining this after 2 years on this forum many posts and lots of rep i gained i think i deserve it -Nick

I want l33t because i've been on this forums for about 1 year now and i think i deserve to be upgraded. I also cant afford to buy L33T :(

NonLeaf - July 9, 2015, 5:18 am

Hi, first I'd like to thank OP for doing something like this.

I can't tell if I deserve be upgraded to l33t but I've been helping HF with my graphic skills for the past months, I'm active and I thought about upgrading lots of times already but when I was going to upgrade, there was no option of "Paypal" for my country and that is my only option of payment, sad... PMed Omniscient and he told me that I had no chance of paying with Paypal and that's why I never upgraded.

As stated before I've been doing my best to help all the users here at HF and I think I am going in a good way. This account was created back in 2012, it has some time already.

I'm glad that some people like you exist not only in this forum but in our world, a great majority of people would never start a contest like this.

Well, it's up to you, thanks for starting contests like this OP.

Good luck everyone! ?

rd3600 - July 9, 2015, 8:52 am

I would like to win this contest, because right now I don't have the money, cause I'm in a bit of a tough spot. I was hoping if I could get L33T, people would trust/respect me more, and would be willing to deal with me. Thanks so much for your time and money to make this contest.
