The first JackVRipper contest

As this is my first contest, please inform me if anything in this contest is against regulations, and I will remove the contest and replace with another.

Contest Details:

The aim of this contest is to spread my RAT. This can be done through installs from your own RAT, YouTube videos, etc. To enter, simply PM me your contact details or post below if you can't PM, and I'll sent you mine. You'll be given a unique executable file, this has a reference number attached so when a client joins the RAT. I can see the standings. Rankings will be updated as frequently as I log in.

Time Started: 04th July 2015

Time Ends: 7th August 2015: 7:30AM [GMT] [Subject to change if less than 5 entrants by end time]

Rules

You are not entitled to distribute to other HackForums members in any malicious way. You are allowed to act in teams to distribute but the prize will only be given to the user who the client reference is connected to.

Rewards & Prizes

Please Note: If I have not yet been approved for Ub3r status. The Ub3r status prize will be replaced with \$25 USD. I apologize for any inconvenience.

The top 5 ranking will be paid out as follows;

Rank 1: Ub3r Status and \$25 USD. [If winning user is already Ub3r status, he will have the choice of \$25 USD extra or nominating a friend to receive Ub3r status]

Rank 2: Ub3r Status [If winning user is already Ub3r status, he will have the choice of \$25 USD or nominating a friend to receive Ub3r status]

Rank 3, 4 and 5: L33t Status [If winning user is already L33t status, he will have the choice of \$18 USD or nominating a friend to receive L33t status.

Hopefully this turns out successful. Thank you for your time.

Regards,

JackVRipper

I'll be buying Ub3r before the competition is closed. Sorry if it looks like it's fake. I assure you, it's not.

But thanks for allowing me to make it clear to others.

Ok, but just so your aware you cannot just put purchase uber, essentially have to earn it.
May want to post proof of being accepted as uber first, as from your current stats I find it hard that you will be accepted.

I may as well enter this. Is your RAT FUD?

JackVRipper - *July 15, 2015, 8:48 am*

The stub is 1/35 currently - Or if you wish, you can use your own Crypter - I'll add you on Skype.
