16 years after the "Law for Public Order and Morals in Healthy Child-Raising" banned coarse language in the country, Tanukichi Okuma enrolls in the country's leading elite public morals school and is soon invited into the Anti-Societal Organization (SOX) by its founder, Ayame Kajou. As a member blackmailed into joining by Ayame, Tanukichi ends up taking part in obscene acts of terrorism against the talented student council president Anna (for whom Tanukichi has a crush on).

~Jay~ - July 20, 2015, 5:39 pm

I was really hoping he was drawing a giant dick on the field at the end of the first episode.

?Starfire? - July 20, 2015, 7:18 pm

I want to watch this soon! :) I usually only start anime's once the season is completed so I can binge it though.

He drew the sign for "Manko" which means Vagina/Pussy

iGnite - July 20, 2015, 8:57 pm

I can't wait for the next episode. Dick! Dick! Dick in the pussy!

Good to know they didn't waste an opportunity.

4 [\(Click to View\)](#)so that made me think i was watching a hentai for a while. borderline rape going on in this show, i'm actually really shocked J.C. isn't a hentai studio.

like

Anna sent him her fluids in a envelope, she left some more of it on his balcony, and also a really long trail down the street. this girl needs help and lots of proper sex-ed.

Kajou best girl

Professor Pantsu - July 27, 2015, 1:44 pm

As someone who is fucking strongly against censorship and shit, I found this anime to be pretty fucking enjoyable. Fuwa is the best girl.

iGnite - July 27, 2015, 2:55 pm

I can't wait for the next episode. Spoiler [\(Click to View\)](#)They really stepped it up last episode, and Ayame's reaction really makes me curious if that scene was a foreshadowment of her hidden sexual innocence even though she presents herself as a fearless sex monger. She probably wouldn't act on those desires should the situation present itself. Sort of like yamadas first time.

Spoiler ([Click to View](#)) She is pure in the inside, she just doesn't like being oppressed.

EP 5 stuff

Spoiler ([Click to View](#))

Also love it how they plan to make everyone wear chastity belts yet they speak about "future generations" especially people with children already, it's a bit retarded.

This show is just pure gold Imfao

Spoiler ([Click to View](#)) In a way I think they are implying that when they become adults and fair mates rather than fool around. Anna is like a freak and she isn't afraid to be lustful. But she is also strictly raised which also explains her lust. I'm sure she won't even be caught dead wearing one. However in the next episode shit should be interesting to say the least

Aura - March 27, 2016, 10:09 am
