Giving out free teamspeak servers!

Please post below the following to get it pmed to you.

Code 1. Name of the Teamspeak Server

2. Amount of slots wanted (max 150)I will pm you asap with the server IP and the admin privilege key!

Enjoy! :D

Note:

The server will be terminated if you do not use it.

On another note the server will be up for as long as the server is running. If the server is offline then please don't come to me as it is not my fault.
