Thread: [Top 5 Sodas **MUST SEE**](#)

Luca Brasi - July 5, 2015, 3:28 am

1. Dr. Pepper
2. Ramune
3. Mountain Dew
4. Vanilla Coke
5. Coke Cherry

Honorable Mentions:

1. Root Bear (Float; A&W Vanilla Variation)

Smooth and sweet flavor root beer mixed with vanilla. Love it.

Let's be completely honest here, Dr. Pepper is the chilliest soda out there, with a smooth 23 flavors. Ramune has a candy soda taste to it with alot of fruity variations. Mountain Dew, although very sugary, thus why its in the middle, has quite a good taste. . Coke Cherry is the best variation out of all the coke products, because it tastes really smooth and not fizzy nor teeth squeaky like Original Coke is.

(EDIT: I feel as if pepsi can't compete with the many off variations of coke, like Vanilla Coke, and Cherry Coke. Coke just has it better, so I bumped Vanilla Coke to number 4.)
