Thread: [Looking to invest 1,000 GBP.](#)

Marnie. - July 5, 2015, 7:06 am

Hi hackforums.

Ended up winning £3,000 last night in the Casino, so I am now investing money. I already have £2,000 invested in something else, so I want to invest in something else now.

I will do a investment off £1,000. Nothing black hat, must be totally legal. Please post your idea's.

Do not ask me to add you on Skype or anything as I will just ignore.
