I don't get it? You say you won't someone that's HQ, but you'll randomly select someone that's HQ. Wouldn't you give it to them based on how HQ they are and not randomly?

This is whats up.

I am going to read everyones replies in 5 days. The best ones will be put into a notepad, and then who ever has best stats or most hq posts will get it.

Only "HQ" members are allowed to join. Means that he will randomly choose a HQ member.

iReFuSe2LoSe - July 5, 2015, 10:35 am

I deserve it because I've contributed to this forum, and would love to gain more respect as a L33T, rather than using looking down on me as I'm simply a "regular" user, which is a shame, as people on here often misjudge others based on their little "\$25" donation... Well thank you for giving me a chance...

Oh, thanks for answering then. I think you should remove 'random' from the thread since that's not really a random selection.

Mr52 - July 5, 2015, 11:49 am

I really hope I win, because I'm in the forum since 2009 and I never really had to chance to fully explore HackForum, that would be an awesome opportunity, also since I am going to be very active, these upcoming days.

Also hate my username..??

I came to this forum because I had a virus on my computer, I've made multiple threads in the Whitehat Virus removal section, but after I had gotten help I realized that the community here was one of the best I'd ever seen. So I decided to take a look around, after scrolling through HF for a couple hours I decided to start learning about RATs/Botnets. I made friends along the way which I may never talk to again, but I definitely learned a lot from them. I helped people with problems they had and to me it didn't matter if they were L33t or Ub3r, it made me feel good that I was helping someone, either with problems they had setting something up, or if they had IRL problems.

Good luck to everyone and thank you for having this giveaway! :)

spradebassen - July 5, 2015, 1:18 pm

Rooter should be entering this, he's as high quality as I've ever seen a regular member be.

Morty - July 5, 2015, 5:16 pm

Hackin - July 5, 2015, 5:47 pm

Hey, i would love to avail of this opportunity for an upgrade to l33t. Although i used to mainly stick to lounge with my opinions and such i have since started to try and give back to the community anyway i can and will continue to do so.

I would really appreciate the upgrade and promise to keep returning whatever i can to the community be it advice or services i have gained through this awesome forums such as GFX and Java programming. Thanks very much for doing this giveaway and good luck to everyone entering ?

ohkillem - July 5, 2015, 6:16 pm

I would like to enter in this contest. I feel like I deserve it because I want to start selling many products in the marketplace, such as Xbox Live and social media accounts. With the help of the L33T status, it will be much easier to negotiate with other members.

Good luck to everyone entering!

soloxc - July 5, 2015, 6:41 pm

It would be nice if I won this giveaway... If i win this giveaway, it would help me alot by contributing to the forums. Normal members don't have access to many things, and one of them is the premium sellers section, where you have the access to sell more stuff, such as accounts. I made a shop with really cheap prices, but I couldn't keep it up due to me not being a premium member. Not only this but becoming a premium member can help with many other stuff. I deserve this because I am willing to help out the community and stay active. It would be highly appriciated, thanks

Apostolle - July 5, 2015, 10:07 pm

I would love to be upgraded.
Why?

Well, i am a member since almost 5 years.

Never had negative Rep.

Done some giveaways more or less HQ , you decide.

Thank you for this contest.

Good luck for everyone!

I would like to join the contest, OP.

I'm here since 2 years and I am mostly active in the coding section (VB.NET & C#). I think I deserve this upgrade because I always try to help when I can, I might not be the 1337 h4x0r that knows everything, but I try to do my best.

Good luck everyone, and thanks for this opportunity :)

eoNe - July 6, 2015, 7:12 am

Ram - July 6, 2015, 7:19 am

SourMan - July 6, 2015, 7:22 am

I'm not saying i'm HQ... But i'm HQ

Billie Joe Armstrong - July 6, 2015, 7:28 am

I'm participating this contest.

Why I think I deserve L33T: I have been here since March and I've been a great member.I respect others.I think most of my posts are HQ.

Thank you, OP.

cewa - July 6, 2015, 8:14 am

There are many reasons why I would like to become a l33t member. First of all I would like to change my username into something more rememberable, also I would like to have the ability to give positive reputation to users that deserve it. It would be also nice to raise PM inbox capacity, for storing more of my messages.

l33t upgrade would help my tutorial to be recognizable and more people would read it and maybe learn something of it.

Salty Bacon - July 6, 2015, 8:17 am

Good contest by why is this is the Marketplace discussion subforum but not in the Member contests? This should be in member contests.

iLoveBeagles - July 6, 2015, 8:20 am

Posting to enter the giveaway. Im only HQ for GFX sub-forum, I guess my rep/comments support

Davy - July 7, 2015, 3:37 am

OP great contest. I wish everybody good luck

Tits Are Savages - July 7, 2015, 3:39 am

So here is why i think i deserve it :)

I arrived here in 2013 a young noob thinking i could find help here from the best hackers ever to stop the ddosers from ddosing me while i played my favourite game Runescape but i quickly realised noone will help you without contributing something so i went to learn how to use R.A.T's and after 4 threads on help i made my first tutorial how to fully setup a rat for new people like me and i gained my first positive reputation with that which showed me i can achieve good rep and friendships with people if i am active and do stuff so i started posting around in a lot of places and i started to know people and people started to know me i made a website where i gave away free minecraft accounts for everyone and quickly my rep rose quite a bit than from being 1 year on this forum i thought i'd make a funny movie about how the forum goes with all its up's and downs i got alot of hating people but more people who loved it which just shows you can make it here if you are a normie but by now i have helped people gave away lots of things and i thought i want to become leet badly but i cant put money on my paypal since im only 15 so i cant connect it with my bank and since im not quiete the monitizer that was not a option either so thats why i am joining this after 2 years on this forum many posts and lots of rep i gained i think i deserve it -Nick

NonLeaf - July 7, 2015, 6:53 pm

Hi, first I'd like to thank OP for doing something like this.

I can't tell if I deserve be upgraded to l33t but I've been helping HF with my graphic skills for the past months, I'm active and I thought about upgrading lots of times already but when I was going to upgrade, there was no option of "Paypal" to my country and that is my only option of payment, sad... PMed Omniscient and he told me that I had no chance of paying with Paypal and that's why I never upgraded.

As stated before I've been doing my best to help all the users here at HF and I think I am going in a good way.

I'm glad that some people like you exist not only in this forum but in our world, a great majority of people would never start a contest like this.

Well, it's up to you, thanks for starting contests like this OP.

Good luck everyone! ?
